

**Job Title: System Engineer - Bitrix24 or Odoo Developer**  
**Company: Corporate Intellect Solutions**  
**Location: Noida, On-site**

**Corporate Intellect Solutions:**

Corporate Intellect Solutions is a leading provider of innovative business solutions specializing in IT software and Business Automation with presence in USA, UAE, Canada, Australia, Africa. We leverage cutting-edge technologies and industry expertise to help businesses achieve their goals and stay ahead in today's competitive market.

**Job Description:**

We are seeking a talented System Engineer with specialized knowledge in Bitrix24 or Odoo development. The ideal candidate will be responsible for configuring, customizing, and maintaining our Bitrix24 or Odoo systems to ensure optimal performance and seamless integration with our business processes. This role offers an exciting opportunity to work with cutting-edge technologies and contribute to the digital transformation of our organization.

**Key Responsibilities:**

- Customize and configure Bitrix24 or Odoo platforms based on business requirements.
- Develop and maintain custom modules, workflows, and integrations within Bitrix24 or Odoo.
- Design and implement solutions for system enhancements and process automation.
- Perform system testing and troubleshooting to ensure functionality and identify potential issues.
- Collaborate with cross-functional teams to gather requirements and implement solutions.
- Provide technical support and training to end-users on Bitrix24 or Odoo functionalities.
- Stay updated with the latest features and updates in Bitrix24 or Odoo platforms.

**Requirements:**

- Bachelor's degree in Computer Science, Engineering, or related field.
- 1-2 years of hands-on experience with Bitrix24 or Odoo development.
- Proficiency in Python programming language for Odoo development.
- Strong understanding of Bitrix24 configuration, customization, and integration.
- Ability to analyse and troubleshoot complex technical issues.
- Excellent communication and interpersonal skills.
- Proven ability to work effectively in a team environment and independently.

**Preferred Qualifications:**

- Certification in Bitrix24 or Odoo development.
- Experience with other CRM or ERP systems is a plus.

**Company Culture:** Our company values innovation, collaboration, and continuous learning. We encourage our employees to explore new ideas and take initiative. As a System Engineer, you will be part of a supportive team environment where your contributions are recognized and valued.
